Subject: RE: Essay

TO: Cornell Johns <johns.cornell@mail.era.net>

Dear Mr Johnson,

Thank you for submitting your essay 'The New Gods:
A Transhumanist Manifesto' for our consideration.
We appreciate your thinking of us but I'm afraid
we have decided it does not quite fit with the ethos
of our journal. It is perhaps a little heavy on
personal opinion for the tastes of our readership.

We wish you every success in placing it elsewhere.

Kind regards,

Martin Liang
